## What's New in the Textify?

Convert text to various typefaces. All operations are performed in a single shot, just type and paste. You can download Textify in standalone format from our site for \$0.99, or you can buy Textify with Premium Account for \$39.99. You can also buy Textify with Silver Account for \$22.99. Enjoy.Q: Enums are not supported in Listview as per MvvmCross

versions from 1.0 to 2.2 How can I use Enums with MvvmCross 2.2? I have used Enums in 1.x versions, but I cannot anymore do so for 2.x versions. It shows me an error saying that Enums are not supported anymore. My enum public enum AccessLevel { All = 0, Owner = 1, AnyMember = 2 } Mvx enum converter public class AccessLevelConverter : MvxEnumConverter { public override AccessLevel ConvertToEnum(string value, Type enumType) { var enumValue = (int)Enum.Parse(enumType, value); return (AccessLevel)enumValue; } } My data context class public class ViewModelBase : MvxViewModel { public override IMvxBindingContext Init() { return new MvxListViewBindingContext(this, false); } } ListView binding
